27th Annual Emerson Health FRIENDS Golf Tournament

"The support of our Emerson Health partners has been tremendous over the years and never as strong as we saw these past few years. Our relationships with each of you have enabled us to continue to be a leader in providing compassionate and skilled patient care throughout our region. We appreciate your continued engagement and look forward to getting back out on the links with you in September."

~Christine Schuster, President & CEO

The Friends of Emerson Health is pleased to host its 27th Annual Golf Tournament on Thursday, September 17, 2026 at Hudson's Charter Oak Country Club. Participants will enjoy an outstanding round of golf, excellent food and the personal satisfaction of knowing their day of fun at Charter Oak will have a direct and positive impact on the quality of care at Emerson Health.

Since its inception, the tournament has raised nearly \$2.5 million and helped fund patient transport equipment, the cardiac rehabilitation program and contributed to special projects for our pediatric intervention team.

Your strokes support our folks!
